DEDICATION

To the Galion High School faculty whose generous, self-denying efforts have immeasurably helped the high school in all of its attainments, whose high and beautiful ideals have given us noble longings and lofty aspirations. We, the Class of nineteen hundred and twenty-four, dedicate this volume of the Spy.

MRS. J. E. CASEY

MR. GEORGE NICHOLS

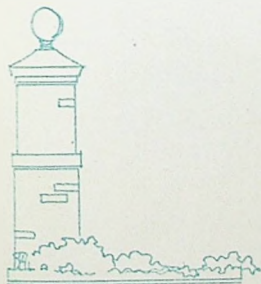

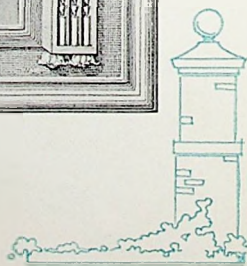

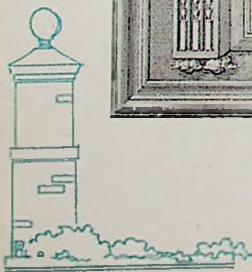

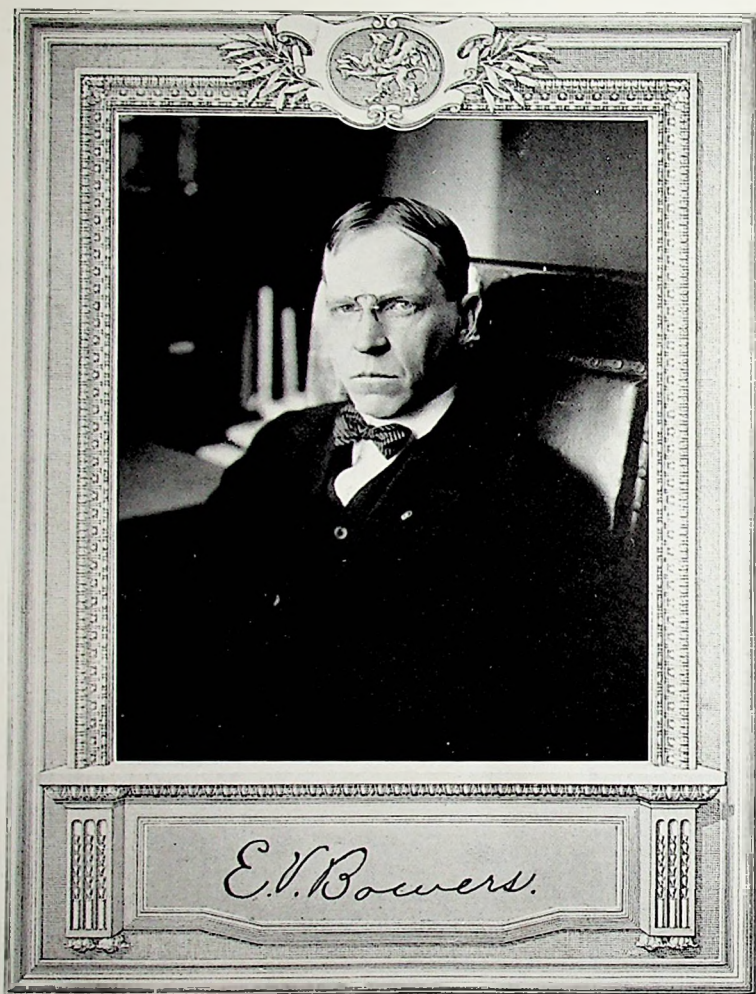

What is your ideal in life?

In order to make the most out of life, one must aspire to high ideals and if necessary sacrifice to attain them, but even though they are never fully realized the effort put forth will be the keystone in the building of real life and character, and a noble character should be the one supreme ideal in every life.

After character the next greatest attribute in life is human sympathy and to be of the greatest service to Society and attain the highest ideals it is essential to have abounding courage and a cultural education. To go out of one's way a little to do a friendly deed, to speak a kind word or to give a cheering smile may be the turning point in the making of a life worth living. The Good Samaritan did not pass by on the other side.

Senior Class History

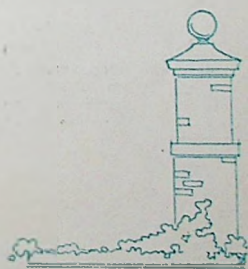

FOUR years have passed since the class of 1924 entered old G. H. S. During this time we have sought how to leave a good impression of ourselves with dear Galion High.

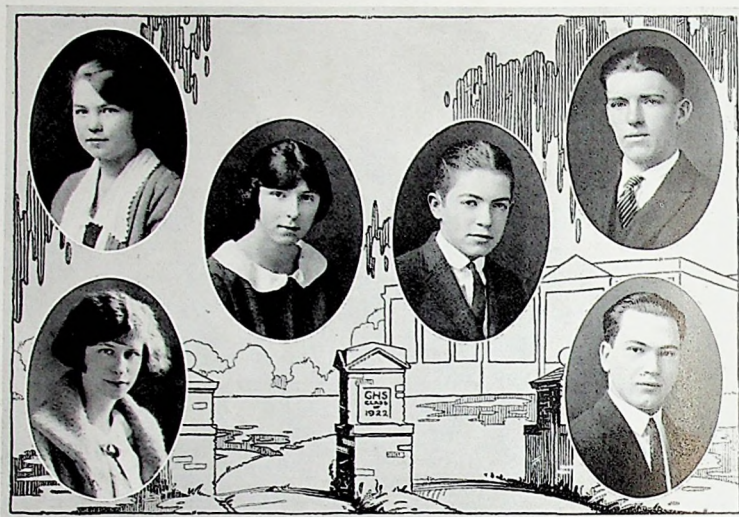

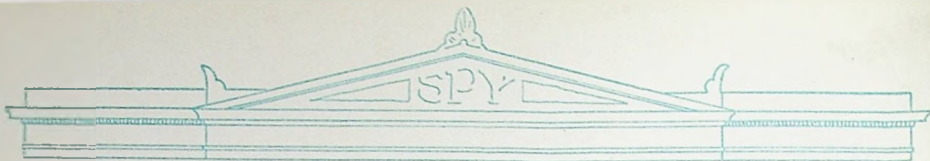

We started in our Freshman and Sophomore years by organizing and starting the Adelphean and Philomathean Literary Societies, and other innumerable functions. Our Sophomore class basketball team defeated the Seniors, who were champions that year.

In our Junior year we continued after custom, publishing the Radiator, the High School paper. We succeeded admirably well in athletics and the Junior-Senior reception was said to have been the best ever.

This being our last year, we are striving to make it a brilliant success. Our class stood out this year in athletics as never before. The Spy has promising prospects of becoming the best ever published. Our class is the largest to graduate from Galion High and looking back we cannot help but suppress a sigh of relief and one of regret that soon we shall leave G. H. S. to take up the work that Galion High has prepared us for.

STEPHEN NEWHOUSE, '24.

GWENDOLYN AULD

"A pleasant disposition is always best"

Oratorio '21, '22, '23, '24; Adelpian '21; Aurora '24; Glee Club '24; Latin Club '23, '24; Usher '24.

THE JUNIOR CLASS

Junior Class History

AROUND three years ago the High School experienced a great change. Namely the entrance of the class of '25, one September morning in 1921. They came with one hundred and twenty-five strong and when they marched down the aisle of the auditorium the upper-classmen could not help but admire their courage. This same courage characterized their every activity throughout the year. With full co-operation on the part of the class as a whole, many social gatherings were made possible and also many financial gains. The officers that led us so nobly through this year were Arnold Meeker, president; Wayne Weber, vice-president; Fern Kiddy, secretary; Arlene Bersinger, treasurer.

Upon re-entering school as Sophomores the next year, we were smaller in number but greater in power.

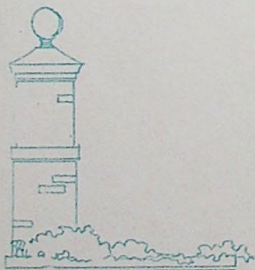

The officers elected to carry us through our second year were Arnold Meeker, president; Robert Moulton, vice-president; Fern Kiddy, secretary; Arlene Bersinger, treasurer.

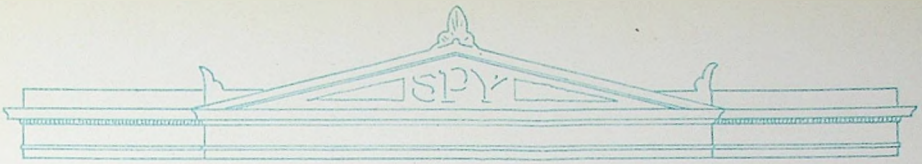

During the year we gave a play composed of entirely of our own talent and which was a decided success, and then to reach the climax, a Valentine Party in the Moose Hall, February 10, was held to which most every Sophomore attended and had the best time of his life.

And now we are Juniors still carrying on successful undertakings in our class and fostering the activities of the school at large. We have representatives in every organization of the school and endeavor to maintain an influence that will be permanent in the history of Galion High School.

We have one more year yet and looking back into our accomplishments of the past we can safely say that our last year will see us doing even bigger things.

THE SOPHOMORE CLASS

The Sophomore Class History

THE history of this ever famous class of 1926 began on a sunshiny morning in September 1922, when one hundred and thirty-eight Freshmen assembled in the auditorium ready and willing to brave the perils which we knew must be encountered before we were really recognized as a part of the working apparatus of Galion High.

The initiation was indeed a thing long to be remembered and shortly after this ovation our first class meeting was held. William Greebe was elected president, Mary Flick vice president, Geraldine Wise treasurer, while Miss Hoffman was chosen faculty advisor. Gold and Brown were selected as the colors to guide us on our four years' journey.

During our Freshman days we displayed an unusual lot of pep and enthusiasm supporting every enterprise that was undertaken by the High School and sponsoring a number of worthy activities ourselves.

Last September found the "old gang" back again this time proudly answering to the roll call of the Sophomores. A class meeting was soon held at which time Miriam Sayre was elected president, Mary Flick secretary, Robert Ometer treasurer, and Miss Hoffman was unanimously re-elected class advisor.

Our class of '26 had been enthusiastic Freshies, always wide awake and ready to help any worthy cause, but during our year as Sophomores, we have even surpassed our former record.

According to custom we entertained the Freshman at a reception which was given the same day as the younger classmen were initiated. The gymnasium had been arranged to represent a carnival and the scene was one of mirth for both the on-lookers and the participants.

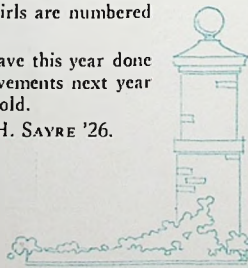

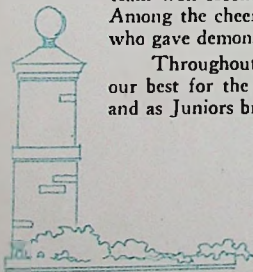

The next social activity was our Halloween party at the Maccabee Hall. The grand march starting promptly at eight o'clock began the evening of joyousness as gayly costumed figures strove to discover identity of their companions.

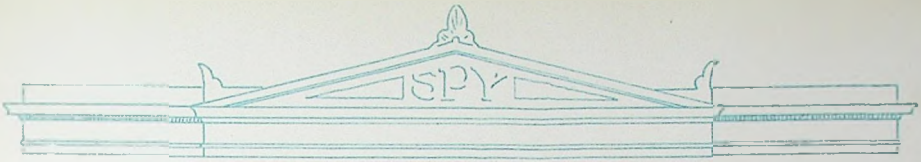

As the second semester began we announced our greatest event of the year. "The Sophomore Follies of 1924" and on the 25th of January this company of talented Sophs., made their appearance and carried the Follies over the top as a grand success and a proof of our originality.

In athletics our class also excels as among our number are many girls and boys who have shown themselves true to G. H. S., and during the next two years will be great factors in the athletic history of the School. Our boys displayed football and basketball ability and four of the girls were named as subs for the varsity squad. The girls' class team won second place in the inter-class contests being defeated only by the Seniors. Among the cheer leaders of the High School, six of the Sophomore girls are numbered who gave demonstrations of their pep and loyalty at every game.

Throughout the year we have remained true to our code and have this year done our best for the school and are determined to even better our achievements next year and as Juniors bring glory and honor once more to the Brown and Gold.

FRESHMAN CLASS

Freshman Class History

On a warm sunny day in September a crowd of one hundred and thirteen boys and girls gathered in the study hall of Galion High School.

Suddenly they heard a queer sound. It was the "buzzer" calling them to the assembly room. So, with a feeling of repidation, it must be confessed, they entered the chapel. Although inwardly quaking with fear, they assumed a confident air thus shattering the hopes of the upper classmen. Consequently the yells with which Freshmen are usually greeted were much subdued.

After a short program, consisting of addresses of the faculty, the class returned to the study hall. Here they were introduced to the schedule, a horribly puzzling thing.

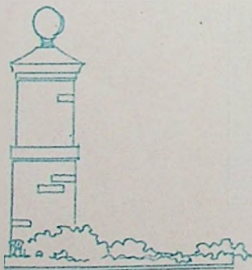

Of course some of the class got lost the first few days, but that is the fate of all classes.

The class was allowed to hold its first meeting on September 20, 1923. Officers were elected at this meeting and colors were chosen. The colors being old rose and steele gray.

During the year a number of basketball games were played, in which the skillful playing of the Freshmen called forth the admiration of their classmates. Among the other pleasures of the year were the weiner roast, and reception.

Now we must part with the class for awhile. We hope they may all be back next September as Sophomores, and when the happy years of their school life are brought to a close, we hope to have said that the class of '27 was the best that ever graduated from Galion High School.

The Lantern

~ The Staff ~

"The Lantern"

THE class of 1923, thinking that our High School would be much benefited by a monthly paper, pushed forward and started this project. This they called "The Radiator". With the exception of the reporters there were but four members on the staff. They worked faithfully to produce something which would create a common school spirit and which would be a credit to G. H. S., and "The Radiator" was surely a success.

Last year the Junior class again published the paper. Their staff numbered six and had also the four reporters.

This year we have made several important changes. The first of these is the adoption of the name "The Lantern" because we did not think the other one applied. Then too, the personnel of the staff was changed; heretofore it had been a Junior paper and we decided to make it a paper for all. The Editor-in-chief and Business Manager will still be taken from the Junior class while the other editors will be taken from the under classes. This will insure that our publication will be a real school paper.

As the paper was enlarged from four to eight pages, it was thought an increased staff could better produce it.

Not too much can be said of Miss Hoffman, our faculty advisor, who assisted us greatly by her advice and help during the year.

During the term the Staff has carried on several projects which were of interest to the school. At one time it sent three delegates to the Journalistic Convention at Cleveland. These brought back splendid reports and ideas which were of value to the Staff in their work.

At another time the Staff conducted a literary contest in which prizes were given for the two best stories submitted. Miss Lucile Hill received the first prize—a five dollar gold piece, and Miss Margaret Bradfield won two dollars.

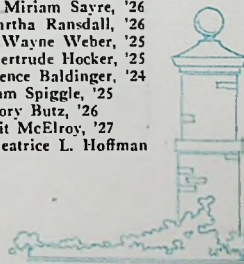

"The Lantern" has also entered several contests for high school publications, but since the participants are not judged we are waiting with the highest hopes of winning a prize.

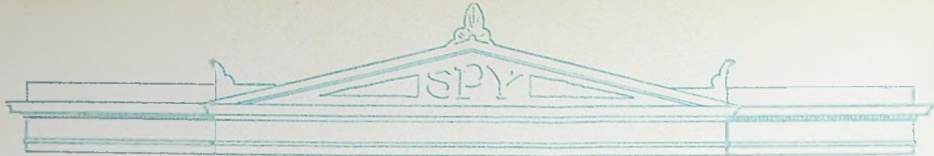

We have certainly done our best in the production of the "Lantern" and have done it in all faith for the honor and glory of Galion High. So here's to next year's Staff; may they succeed in their journalistic endeavors and come through with the knowledge that they have done their bit toward bringing fame to dear old Galion High.

The SPY

— The Staff —

The Spy

IN compiling this year's annual every effort has been made to have a "different" Spy and a more representative one. With this in view long lists of names have been avoided when possible, replaced by literary, or more interesting matter, in some cases by pictures.

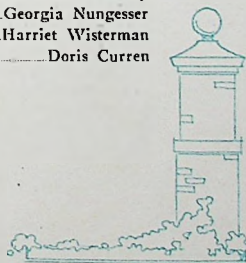

Perhaps nothing is a better indication of the increasing prosperity of an institution than the flourishing condition of its high school organizations. To give these societies deserving prominence pictures and histories have been worked up. Too, a thorough effort has been made to bring the Spy as much as possible to the standard of recognized college year books. College annuals we have especially followed in respect to organization and general business policies. However, we could not have come to the realization, in any small way, of our ambitions had we not had the courtesy and accommodations of the high school faculty, the untiring efforts and helpful advice of our faculty advisor, the hearty co-operation at all times of our photographer, and, what cannot be spoken of too highly, the real service of our engraving agent, representative of the engraving company.

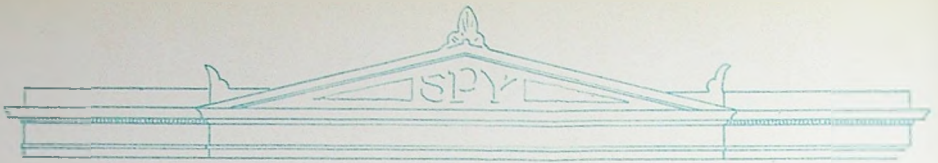

Our earnest desire is that this volume may be truly a typical embodiment of the ideals, not alone of our school, but also of our community and our instructors whose generosity has meant so much to us.

The Affirmative Team

THE proposition which we have for consideration is: "Resolved, that the Federal Government should control the production and distribution of coal." This question is of vital importance, because the coal problem of today will inevitably determine the coal problem of the future.

The Affirmative team went to Bucyrus. Galion started the argument. We held strictly to the proposition. We wanted government control and government control alone.

The audience was swayed by our wonderful arguments. We certainly had the Negative working to find rebuttals. We called hoarsely to our alternate to give us "Vanity Fair," otherwise our rebuttal box.

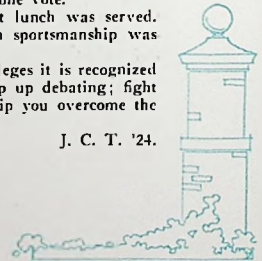

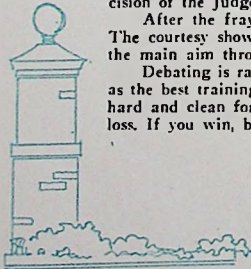

The alternate, a bit disturbed, handed the pitcher of water, instead. The Negative in watching the fate of their pitcher, forgot the existance of a debate and only when Mr. Chairman announced that the Negative would open the rebuttals, did they come back to earth.

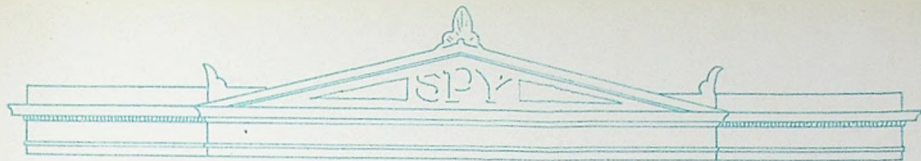

The rebuttals were hot and exciting. Then came the awful pause while we waited the decision of the Judges. The fates were against us that night for we got only one vote.

After the fray we were invited to the principals' office where a light lunch was served. The courtesy shown on the part of Bucyrus and Galion proved that clean sportsmanship was the main aim throughout the evening.

Debating is rapidly taking its place with the school activities. In the colleges it is recognized as the best training for a student. To the future debaters of G. H. S.,—keep up debating; fight hard and clean for victory. If you lose, through clean and fair sportsmanship you overcome the loss. If you win, be sure you have won fair.

The Negative Team

THE proposition which we have before us is, "Resolved that the Government should control the production and distribution of coal."

With this question confronting us we were ready for the Third Annual Debate between Bellefontaine and Galion, set for March 23, 1924. We had written and rewritten manuscripts, and rebuttals, read every magazine in existence, also had examined every lump of coal. Thus with such preparation we were ready to meet our Worthy Opponents.

To us, "the Negative," the interpretation of this question simply meant that the Government should "not" control the production and distribution of coal and our purpose was to convince everyone within hearing distance.

About 7:55 the Bellefontaine Affirmative arrived. After introducing ourselves we took our places at the respective tables.

The first speaker of the Bellefontaine affirmative began. The fight is on. Every one is chewing pencils, writing at a terrific rate of speed, reaching for our rebuttal box (which had previously been christened as "Julia"). The constructive speeches are now over. The fatal moment is approaching nearer and nearer. The rebuttals are upon us.

"You have given us no authority, We want proof. Where is your plan? When has it worked?"

The atmosphere is tense meanwhile our Opponents were gulping water from the "Old Oaken Bucket."

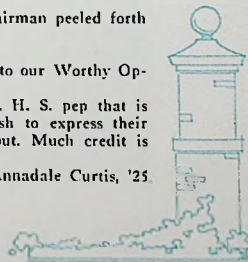

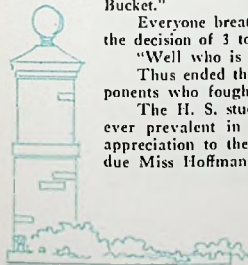

Everyone breathlessly awaited the decision. Finally the voice of Mr. Chairman peeled forth the decision of 3 to 0 in favor of—

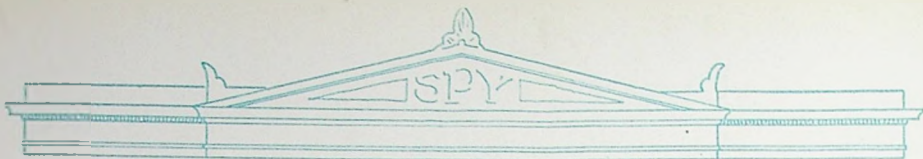

"Well who is it" "Why Galion of course."

Thus ended the Third Debate between Galion and Bellefontaine. Here's to our Worthy Opponents who fought a good fight and displayed wonderful sportsmanship.

The H. S. students and faculty backed the teams with the same old G. H. S. pep that is ever prevalent in our Basket-ball and Foot-ball games, and the teams wish to express their appreciation to the student body and the faculty for their support throughout. Much credit is due Miss Hoffman for our successful year.

Piano Classes

The Oratorio "Messiah"

ON May 2nd the students of Galion High School, assisted by a twelve piece orchestra and four soloists, Mary Anne Kaufman Brown, soprano; Toy Davidson, alto; Herbert Davies, tenor; and Frederick Taggart, bass, gave the Oratorio "Messiah" to a large and appreciative audience.

The soloists deserve special mention especially Mr. Taggart, who took the part of Mephistophiles in the Opera "Faust" and Mr. Davies the late soloist of the "Cleveland Orpheus Choir", International winners on their 1923 European Tour.

The "Messiah" is probably the best known and most beloved of all Oratorios. The chorus spent many hours rehearsing and only through the strenuous efforts of Miss Hagley, director, Harriet Wisterman and Almeda Craum, pianists, was the success made possible.

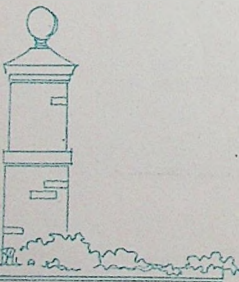

George Frederick Handel, the composer of the "Messiah" was born at Halli, in February of 1685. His father was not at all in sympathy with the lad's musical ambitions, but in spite of all obstacles, did not give up his musical ambitions.

The Oratorio is not church music. By "church music" is meant only that music which has been written for or has grown up in the church; and although parts of an Oratorio may be fitted into a religious service, it could not be given there as an entirety.

In the transition period when Handel's operatic career proved a failure, and before he had established the Oratorio, he was called to Dublin to bring out some of his compositions for the relief of suffering Irish prisoners. This appealed to him greatly, and at once set about to write the "Messiah". In twenty four days it was completed and ready for the public.

The Oratorio is in three parts and is composed of twenty-one choruses, however, not all were rendered. The Oratorio, being written for those oppressed, the composer wishes to show them what comfort is found in the faith of God as their deliverer. When Christ was persecuted he did not flee or become angry. He gave His back to the smiters and His cheek to them that plucked off the hair; He hid not His face from spitting and shame. Surely He hath borne our griefs, and carried our sorrows. He was wounded for our transgressions; He was bruised for our iniquities; the chastisement of our peace was upon Him. And with His stripes we are healed.

HARRIET NEUMAN.

Aurora Literary Society

On December 3, a number of the girls from the Junior and Senior classes met, under the leadership of Miss John, for the purpose of forming a Literary Society.

The following officers were chosen: President, Margaret Moore; Vice-President, Virginia Postance; Secretary, Josephine Tracht.

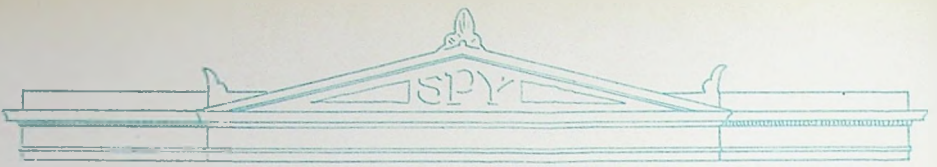

At the third meeting the name "Aurora" was chosen, meaning "the spread of light".

The object of the club was to discover and to develop the talents of the members. The society meets every first and third Monday in the month and many interesting and varied programs are given, consisting of musical numbers, speeches, readings and plays.

One of the very novel features of the club was the taboo-system. Each girl was given five counters and every time she was heard by another member to use incorrect English she forfeited a counter. When the contest closed a prize was given to the one having the highest number of counters.

The club is rapidly taking its place among High School activities. Much credit must be given to Miss John for the success of the 1924 club year. With the talent that each succeeding class brings into the school the club promises to be a greater success each year.

ALMEDA CRAUN, '24.

Latin Club

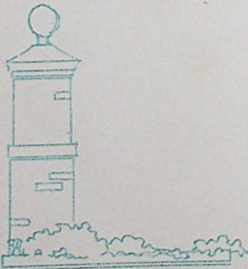

THE Latin Club which was organized last year under the supervision of Miss Mather has had a successful year. The purpose of the club is to promote a greater interest in Latin. All students, excepting Freshmen, are eligible for membership.

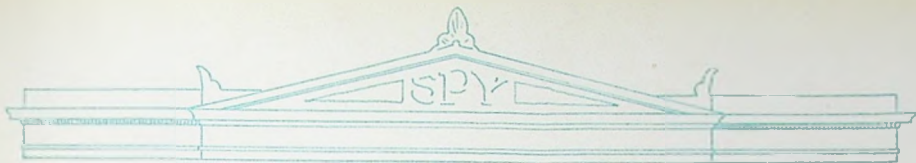

The rank of the members is distinguished by the ribbon band worn; the royal purple is worn by the Seniors, silver by the Juniors, and white by the Sophomores.

Our first meeting was held late in September. The officers elected were: Primus Consul-Isabel Badgely, Secundus Consul-Lawrence Baldinger, Aedilis-Robert Moulton, Aedilis Aerarius-Ruth Meeker. We have held our meetings on the average of once a month. In the meetings we sing Latin songs, have discussions and talks on the lives and customs of the Romans, also stories from Mythology, and play Latin games.

There was a keen interest taken in the club this year and we hope that it will prosper from year to year.

MARGARET MOORE, '24.

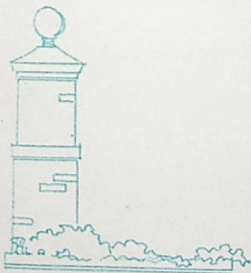

Spanish Club

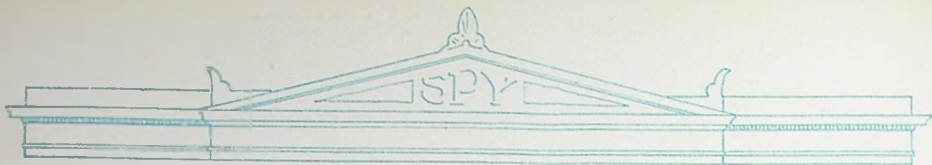

AROUND the middle of the school year Miss John suggested organizing a Spanish Club for those taking second year Spanish. Everyone in the class was very enthusiastic and all agreed to co-operate with her and make such a club a success.

The purpose of the club was to promote the use of the Spanish language and in order to bring this about, only Spanish was to be spoken at the Club meetings. The organization was composed of eleven members. Two leaders were selected and the Club divided into two parts, in this way one division would have charge of the program at one meeting, and the other division at the next meeting. George Bollerer was elected president and Eleanor Hencke, secretary. Many interesting and beneficial programs were exchanged throughout the school year and as the study of the language was pursued in school and in this society the use of the language was improved.

Much credit is due Miss John whose untiring efforts and good suggestions have brought about the success of this club.

RUBY EVERLY.

Le Cercle Francaise

HARRIET NEUMAN

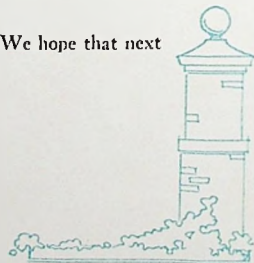

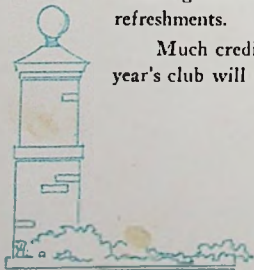

GALION High can boast of numerous clubs and among them a French club, "Le Cercle Francaise". This club was organized under the direction of Miss Wyckoff, early in the year.

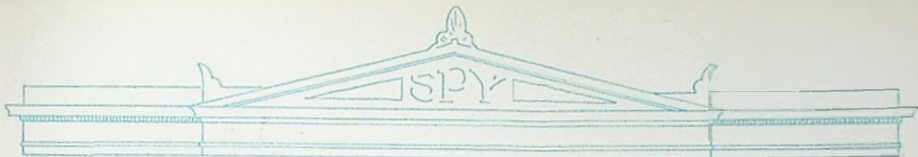

The purpose of the club is to promote fluency and a better understanding of the French language. At the first meeting the following officers were elected:

<i>President</i>	JOSEPH HILL
<i>Secretary</i>	HARRIET NEUMAN
<i>Treasurer</i>	RUTH HILL
<i>Critic</i>	MISS WYCKOFF

The meetings were held once a month at the various homes. Many interesting programs were given, the numbers composing the programs were usually given in French. After the program the rest of the evening was spent in social manner with French games and contests. At the conclusion of the evening the hostesses served dainty refreshments.

Much credit is due Miss Wyckoff for her helpful suggestions. We hope that next year's club will enjoy their club meetings as much as we have ours.

The Hi-Y

THE purpose of this organization is to extend, maintain and create throughout the community high standards of Christian Character. The Hi-Y is maintained for the having of an organization in the school to lessen bad habits the students may have acquired. Among these are marring the school building walls and throwing paper in the halls and desk.

The Hi-Y has a four fold standard: clean habits, clean speech, clean living, and clean athletics. The members of the club, who are boys well known to all the students, not only adhere to this standard but also influence their schoolmates to respect it.

In any successful organization there must be leaders who are willing to give their time and efforts to its success. The officers of the Hi-Y Club are: Arnold Meeker, president; George Bollerer, vice-president; Secretary, Robert Finley; Treasurer, Stephen Newhouse.

ARNOLD MEEKER, *President.*

The Doctor of Lonesome Folks

This year's play given by the members of Mrs. Luren Beck's expression class was Louise Van Voorhis Armstrong's pantomime, *The Doctor of Lonesome Folks*.

It is the aim of the class each year to vary its program from that of the previous season. So this year's performance was an exception in its uniqueness, being an absolutely new presentation of the Christmas idea. It was full of sure-fire comic situations, of gay, picturesque romantic bits and touches of real pathos. The costuming as in the picture was of the period between the years of 1800 and 1830, after the manner of old English prints.

The theme of the play is found in the following lines:

"This bit of advice was the word he spoke
To everyone of these lonesome folk.
"Fill your arms with gifts, keep your heart alight
With the Christmas message and go to-night
Deep into the forest until you see
The tallest and loveliest Christmas tree.
There lay your gifts, and you will be cured,
My friend, of your loneliness; he assured,
Each one."

The first act was staged in the street in front of the Doctor's house and the second act in a forest of Christmas trees. The stage settings were very pretty and materially aided in the making of an ideal presentation of the pantomime.

The music for the evening was arranged and improvised by Miss Lucille Ireland and Paul Wilson which materially aided in making the program a success.

CHARACTERS (In order of appearance)

One Who Knows the Doctor.....	Mrs. Loren Beck
The Doctor of Lonesome Folk.....	Doris Cook
The Policeman.....	Merrit McElroy
Thief.....	Miriam Sayre
The Ragged Girl.....	Hazel Garverick

The Man About Town.....	Lawrence Baldinger
The Poet.....	Robert Phipps
The Newsboy.....	Martha Goshorn
The Little Sister.....	Ruth Scarbrough
The Miser.....	Ruth Quiggle
The Mother Whose Child Had Gone Away.....	Ethel Tracht

Senior Class Play

AFTER much deliberation the committee, appointed by the Senior class president, finally decided to present "Adam and Eva" as the Senior class play to be given May 23. "Adam and Eva" is that sort of a play that appeals to everybody. Whether it is humor, pathos or suspense that a person desires, all is interwoven into a snappy drama that will please everyone no matter what he desires. The major plot of the story is the changing of the King family from a life of luxury and idleness to one of hard work and happiness. The minor plot shows how the opinion of Adam and Mr. King are changed with regards to family life.

The part of the irate father, Mr. King, is carried by William Riblet. Mr. King has pampered his children until at last when he tries to assert his parental authority, they oppose his wishes and the fun begins.

Mr. Adam Smith a queer sort of an individual who works for Mr. King and who has a queer idea of family life. Leonard Hoffman, as Mr. Smith, carries this part very nicely.

Corinthia, as a maid, who has become really a member of the King family in all but name is presented by Isabel Badgley.

Russel Nichols represents Doctor Delamater, a fashionable young doctor, who has that air and manner by which he makes himself most agreeable to his rich patients and who is a suitor for the hand of Eva, King's daughter.

Eva, as King's youngest daughter, is unmarried but has plenty of suitors and their efforts to win her hand make the play very interesting. The part of Eva is carried by Grace Deibig.

Aunt Abby is a fashionable society woman who is supposed to be the house-keeper for the King family. However her outside engagements keeps her from this duty until she like the rest, becomes a sponger on Mr. King. Ruth Kries carries this part.

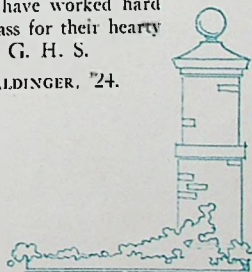

Uncle Horace is a chronic grouch who is as healthy as any person but who, according to his own version, has one foot in the grave. David Geer, as Uncle Horace adds jest to the play in more ways than one.

Lord Andrew Gordon, as played by George Bollerer is a Scotch fortune-hunter and is one of Eva's suitors. Underneath it all, however, he proves himself a real man.

Julie is King's other daughter who resides with her husband, Clinton DeWitt, under her father's roof. Relations between Clinton and King are rather strained due to the fact that Clinton is a top, lazy, and is continually sponging off his father-in-law. Julie, his devoted wife supports him in his idle whims and of course she comes in for her share of parental scoldings. She is naughty and is just that sort of an impetuous society woman that we find most everywhere. These parts are carried by Doris Rausch and Lawrence Baldinger.

The Seniors are determined to make this play a success and have worked hard on it. Those in the cast wish to thank the other members of the class for their hearty co-operation in this enterprise which ends our dramatic careers in G. H. S.

LAWRENCE BALDINGER, '24.

"Prunella"

FOR a number of years it has been the custom for the Junior Class of Galion High School to entertain the Seniors with a play. The Class of '24 gave Prunella or love in a Dutch garden. The play opens with the gardeners trimming the hedges. Prunella enters with her aunt. While the aunts are hearing Prunella recite her lessons they hear strange noises. A circus had come to town and when the aunts saw the mummers coming down the road they hurried Prunella into the house. In the confusion the key to the garden gate was lost. Prunella is sent back to find it and when she reaches the garden she meets one of the strange circus people Pierrot. They become acquainted and Pierrot persuades Prunella to give him the key to the garden gate.

That night the circus people come into the garden. Pierrot sings under Prunella's window. Finally Prunella comes into the garden after coaxing she decides to go with the circus people.

For a time all goes well but after a time Prunella leaves the circus people and wanders about from one place to another. At last she returns to her old home but no one remembers her.

One day the circus people come back and Pierrot finds Prunella. The play closes with Prunella and Pierrot at the statue of Love.

THE CAST:

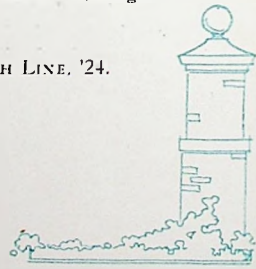

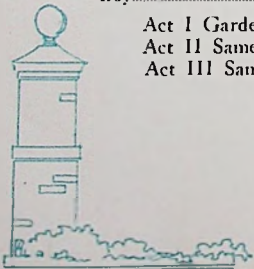

Prunella.....	Doris Rausch
Pierrot.....	Russell Nichols
Scaramel, his servant.....	Bernard Flanery
Love, a statue.....	Elizabeth Line
Maid.....	Isabel Badgely
Kennel.....	Leonard Hoffman
Moutf.....	Robert Finley
Doll.....	Helen Hench
Tawdry—Mummers.....	Esther Myers
Coquette.....	Grace Deibig
Callou.....	George Bollerer
Prim.....	Harriet Neuman
Prude.....	Inez Kent
Her Aunts.....	
1st Gardner.....	Everett Moak
2nd Gardner.....	Wilber McCune
Boy.....	Lawrence Baldinger

Act I Garden Scene.

Act II Same Scene—night time.

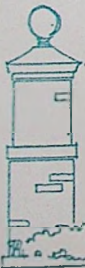

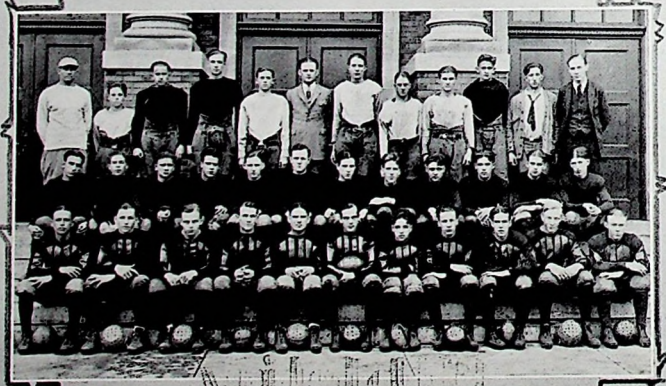

Act III Same Scene—three years later.

ELIZABETH LINE, '24.

Athletic

Football 1923

Galion 42, Ashley 0.

This was a practice game and needless to say a set up. Almost every man had a chance.

Galion 13, Cleveland West 6.

This team came to town to show us how to play football and were given the surprise of their lives.

Galion 6, Ashland 0.

This was one of the hardest fought games of the season. While we had the ball deep in Ashland's territory most of the time, we were unable to score until a cleverly executed "dead Man" play from Mecker to Schreck saved the day. This was our first league game of the season.

Galion 26, Marion 20.

We were fresh from our victory from Ashland and got an early touchdown, but they came back strong and the first half ended 20-13, Marion up. Fighting every minute, we drove two touchdowns across for the final score.

Galion 7, Mansfield 26.

In this game it seemed that dame fortune stepped in and gave our rivals the game. Things were even until a Mansfield linesman picked up an unlucky fumble and ran 97 yards for the touchdown. Our line outweighed forty pounds to a man, and we seemed to lose the old fight and began to waver. This was the only league game we lost.

Galion 0, Shelby 18.

We seemed to underestimate our opponents strength, and this with our crippled team and lack of timely punch lost the game. This game did not count in our league standing.

Galion 18, Mt. Gilead 6.

The fact that our second team played most of the game accounts for the low score made by Galion. Many subs were used in this game.

Galion 31, Delaware 7.

This was another soft game and a slippery field kept our score from being still higher. Nevertheless we scored at will and many second stringers were given a chance.

Galion 0, Fostoria 19.

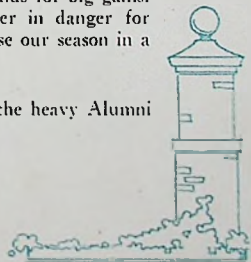

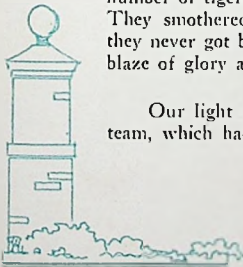

We seemed to lack the punch to score, but the game was closer than the score indicates. The Orangemen put on one of the best aerial attacks ever shown by the local team, but were unable to put the oval across.

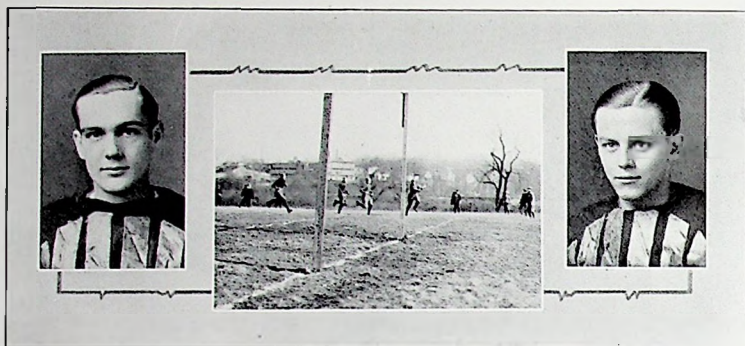

Galion 12, Bucyrus 0.

When the Orangemen went out on the field they could have licked the same number of tigers. They cut the Bucyrus line to pieces and ran the ends for big gains. They smothered the Bucyrus players like a wave. We were never in danger for they never got beyond the 40 yard line. This game brought to a close our season in a blaze of glory and triumph.

Galion High 13, Alumni 27.

Our light team handicapped by mud, could not stand against the heavy Alumni team, which had many College stars in its line up.

Paul Todhunter, Captain, R. H.—“Toddy” has wound up a brilliant career of three years of stellar playing. He was a speed demon circling the ends and doubtless one of the fastest and brainiest players in the league.

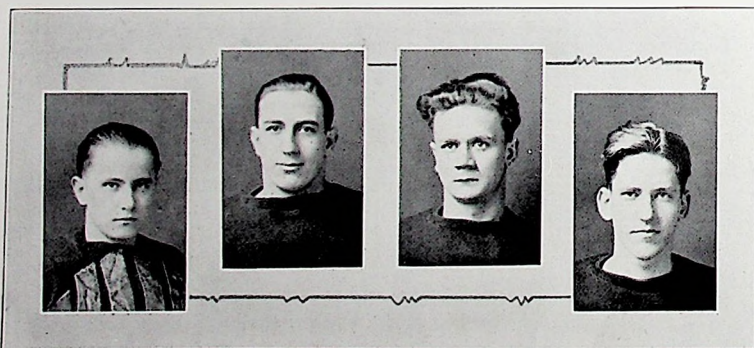

Kenneth Ness, L. E.—The main reason why opposing teams gained little around our left end was the strong defense playing of Ness. He also did our punting and was one of the most powerful and accurate punters in the league.

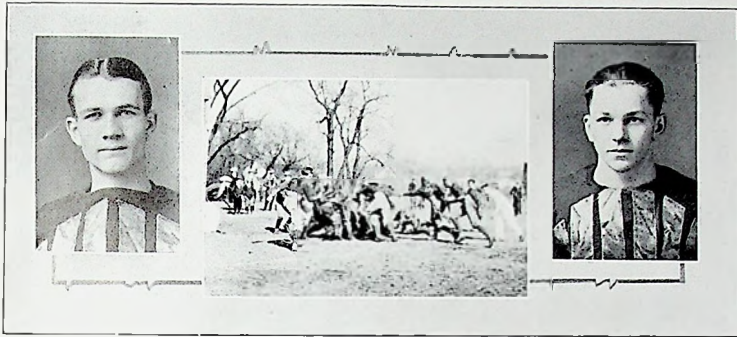

Norman Cheap, L. H.—This man was one of the speediest on the squad and his ability to circle the ends was his big asset. To see this fast-going lad running the ends was a real pleasure.

Harold Gorsuch, R. T.—“Jumbo’s” nick name was well chosen as his aggressive, steady, and stellar work was beyond question. Opponents found it impossible to gain through him. He has one more year.

Rex Kelley, L. T.—Although lighter than most linemen, Kelly by everlasting fighting, could hold his own against the largest of them. He was small but anything but soft and easy.

David Geer, C.—“Dave” was always playing for all he was worth and his passing was at all times steady and reliable. His defense was beyond question. He has donned his moleskins for the last time.

Arnold Meeker, Q. B.—One of the hardest fighting and brainiest players in the league this year was none other than Meeker. The fact that he has been chosen to pilot next year's team speaks more than words.

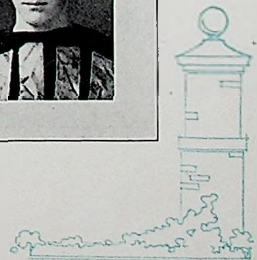

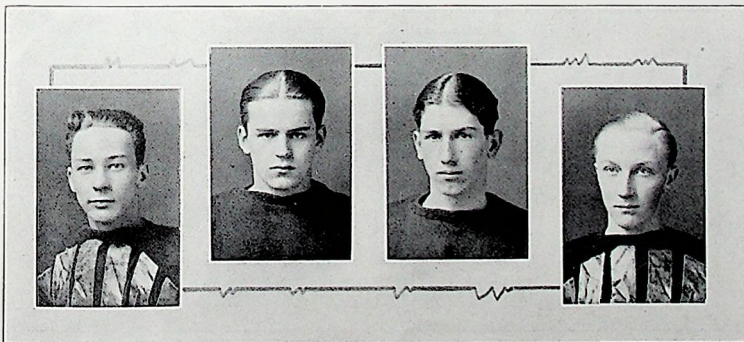

Stephen Newhouse, F. B.—Galion's pile-driving, line smashing full back was in the person of Steve Newhouse. He gave his opponents no end of worry and he was a steam roller on the defense.

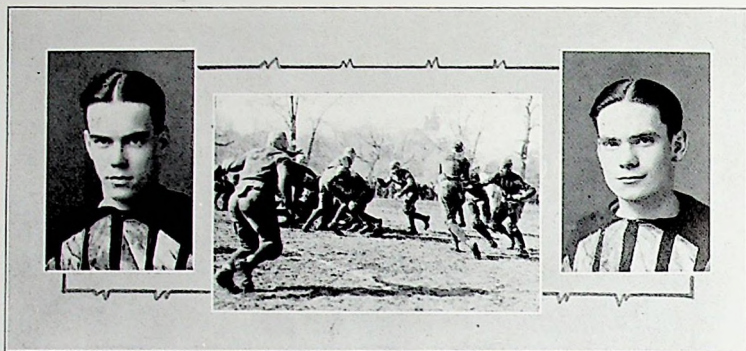

George Bollerer, Q.—George was the Orangemen's Napoleon, a steady and cool player who knew football from A to Z. His exceptional passing alone made him an outstandingly brilliant quarter.

Ivan Cass, R. G.—After completing his second year at guard, for the Orangemen, his playing has been reliable at all times. He is a wonder on the defense.

Kenneth Nungesser, R. T.—When "Nooney" hit a man, he stayed down. Nooney was always a hard working player and a brilliant career is expected of him as he is only a sophomore.

Stanley Kruger, R. E.—In this light haired lad are combined all the qualities for a good end. His tackling and receiving of passes made him stand out above the average end.

George Doran, L. H.—“Chuck” was as hard to stop as a freight train and his opponents always gave way before his slashing, crushing, ripping attack.

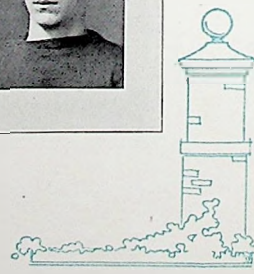

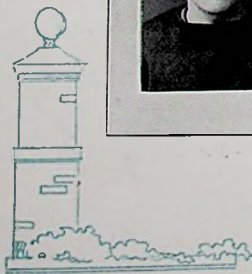

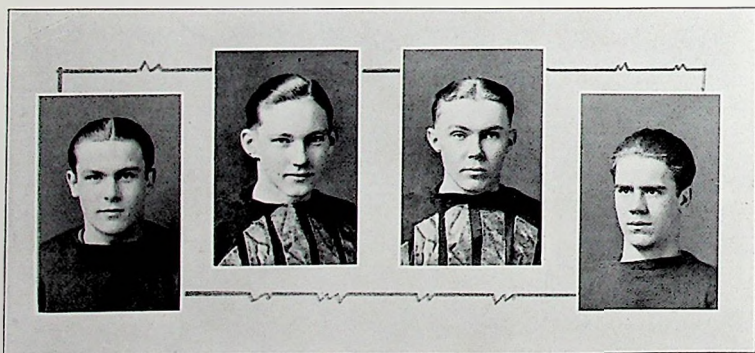

Wayne Schreck, L. H.—This man's career was cut short at Ashland. Although he played in only three games, he showed his ability in a convincing manner.

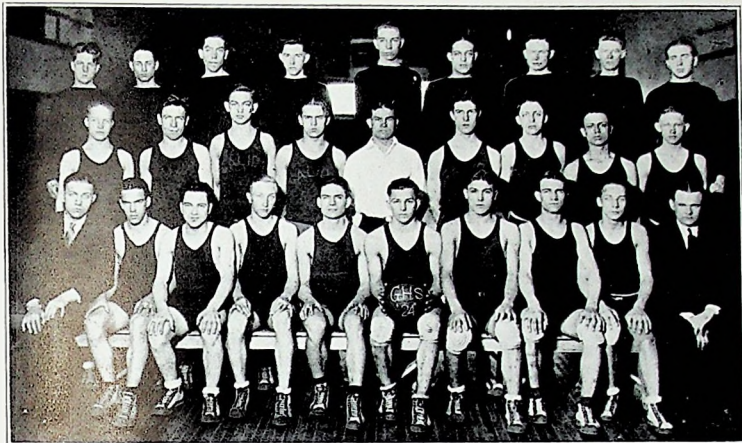

Clarence Mackey, L. G.—Mackey was the whirlwind, fighting, madhouse of the Orangemen. The yards gained through him were few and far between.

Leonard Hoffman, R. E.—This lad's fight, grit, and determination won for him the respect of every man he faced. He was in every play and his loss by graduation will be keenly felt.

Walter Cutshall, F. B.—The fact that he made his letter in his freshman year speaks much of his hard hitting smashing attack.

Ralph Kelly, R. T.—Kelly although he said little, did much. He played with a bull dog determination and undying courage. He was strong on both defense and offense.

Basketball 1924

This year's team did not have a very successful season in the league, but the season as a whole was quite a success and many thrilling contests were participated in. We look forward to next year's team with a bright outlook as six letter men will be back to defend the Orange and the Blue.

Galion 31, Crestline 8—This game was a walk away and most of the subs had a chance to show their ability.

Galion High 25, Alumni 12—Although our opponents had many stars on their line-up, they could not compete with our well organized machine.

Galion 22, Cleveland Lincoln 20—Another Cleveland team came to our city for a practice and they went home a sad, but wiser bunch. Two over-time periods furnished plenty of excitement.

Galion 28, Fostoria 23—The Orangemen were superior to their opponents in all stages of the game, but Fostoria threw a scare when they nearly tied the score with a final spurt.

Galion 15, Bucyrus 16—Our first league game was with our ancient rivals. We led for three quarters, but lack of team work let them score the winning basket.

Galion 16, Ashland 23—This second league game was played in a court with the temperature below freezing and this along with a strange floor, lost confidence, etc., were sufficient to cost us the second league game.

Galion 6, Longwood 21—The second Cleveland school to play us in the season was our undoing. We could not get back the old form and confidence.

Galion 12, Marion 15—This game was exciting and fast. It was anyone's game until the last minute. Marion pushed through as winner.

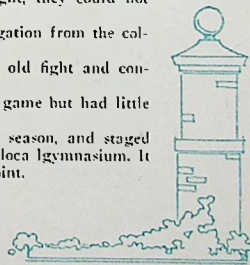

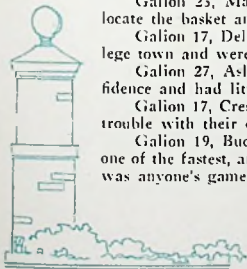

Galion 23, Mansfield 31—Although our team played with pluck and fight, they could not locate the basket and this caused the defeat.

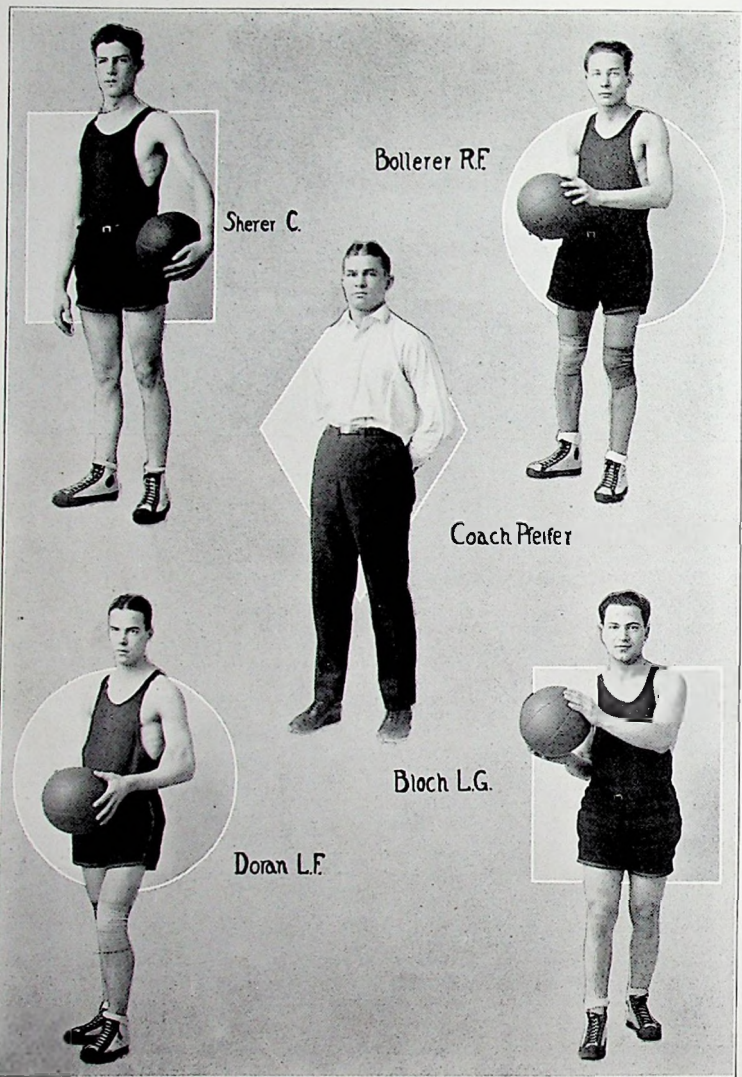

Galion 17, Delaware 25—Galion could not keep pace with the fast aggregation from the college town and were forced to acknowledge defeat again.

Galion 27, Ashley 21—Our lads seemed to have regained some of their old fight and confidence and had little trouble in drawing a win.

Galion 17, Crestline 11—Galion was forced to a faster pace than the first game but had little trouble with their opponents.

Galion 19, Bucyrus 20—We met our old rivals for the third time in the season, and staged one of the fastest, and most exciting games that has ever been witnessed in the local gymnasium. It was anyone's game until the whistle blew with our rivals leading by one point.

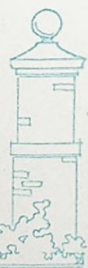

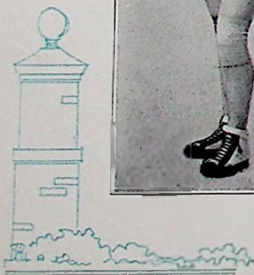

Sherer C.

Bollerer R.F.

Coach Pfeifer

Bloch L.G.

Doran L.F.

Meeker R.G.

Mackey L.G.

Capt. Newhouse R.F.

Schreck L.F.

Kruger C.

Walter Pfeifer, coach. Mr. Pfeifer has been here three years and his record shows two championship football teams and some very good basketball squads. When we consider how much smaller our school is than some of the other schools in the league, this fact becomes even more noticeable. We would attribute his success to three things: character, thorough knowledge of athletics, and methods of coaching.

His own character is one that can be held up as an example to his teams who must practice clean living in order to be in the best physical condition.

Coach Pfeifer has first hand knowledge of athletics as he has had a long career on both high school and college teams, and has studied football under Robert Zuppkée. From the actual experience and the special study he has proved to be a man of unusual ability.

Anyone watching one of his teams in action, will notice that they are well drilled in fundamentals, the base of every game. Long before there is any scrimmage, he drills fundamentals into his men.

There are many coaches, but few we think have as good a character, or as thorough knowledge of athletics, or methods of coaching.

Stephen Newhouse, captain, L. F. Steve's second season at the forward position was a great year for him. He was always a fine running mate for Schreck. His side-stepping, reverse turns, and form in shooting were a pleasure to witness. His loss by graduation will be keenly felt.

Wayne Schreck, R. F. Schreck has three years of stellar playing behind him and needs no introduction. He is a natural player and classy basketball is written all over him. He was high scoring forward in the Regional tournament at Norwalk.

Stanley Kruger, C. Last year Kruger broke into enough games to show Coach Pfeifer he had the goods. He was a good man to control the tip off and both fast and aggressive.

Clarence Mackey, L. G. Clarence has all the qualities of a good guard, careful, cool, and watchful. Mackey has one more year and will without doubt make this a year of glory for himself.

Arnold Mecker, R. G. The fact that "Ezra" won a position as right guard on the ALL TOURNAMENT TEAM at Norwalk, speaks much of his ability as a fast, hard working player. He was high scoring guard in the Norwalk Tournament.

George Bollerer, R. F. Bollerer, a fast and heady player was always a hard fighter, a good shot, and always cool. He graduates this year.

Samuel Bloch, L. G. Sam was a guard of exceptional merit who never gave up but played every minute with courage and fight. He has played his last game with the Orangemen.

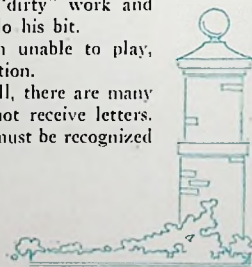

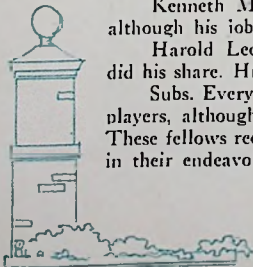

George Doran, R. G. "Chuck's" second year as a letter man was marked by his hard clean playing and his "never say die" spirit. He will be back next year.

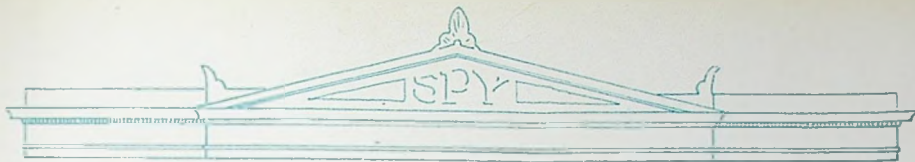

Donald Sherer, C. While "Don" was only a sophomore, he was lightening fast, very aggressive, always reliable. His handling of the ball and dribbling were his assets.

Kenneth Montgomery, Student Manager. "Monty" did the "dirty" work and although his job was a thankless one, he was always on hand to do his bit.

Harold Leech, Assistant Student Manager. "Tinie" although unable to play, did his share. His faithfulness and good will deserve creditable mention.

Subs. Every year on every team, in football as well as basketball, there are many players, although loyal and faithful to the Orange and Blue, do not receive letters. These fellows receive no honor in a formal way, but their sacrifices must be recognized in their endeavor to place a winning team on the field.

The Regional Tournament at Norwalk

OUR somewhat poor showing in the league this year was offset to a great extent by our brilliant showing in the Regional Tournament at Norwalk.

This Tournament held in the Community Gymnasium at Norwalk was composed of teams from Sandusky, Fostoria, Norwalk, Mansfield, Bellevue, Galion, Bucyrus, Tiffin, and Fremont. This brought together some of the highest class teams in the state.

The first contest was between Sandusky and Fostoria. Sandusky came through on top thus eliminating Fostoria.

The second engagement was between Norwalk and Mansfield. Mansfield had little difficulty in scoring 28 points to 14 for Norwalk.

The third game was between Galion and Bellevue. Since Bellevue was runner-up at the State Tournament last year, and had a crack outfit this year, we were given a small chance to win. But the old fighting spirit returned to our Orangemen and they played like a whirlwind. At the end of the half the count was even. We did not let down a bit the second half and won the contest by one basket. This victory placed us in the second round.

Bucyrus and Tiffin came together in the next game. Bucyrus came through with flying colors 15-8.

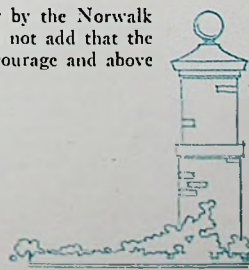

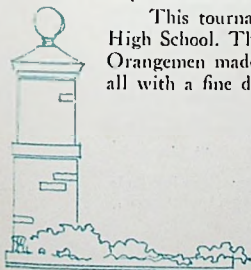

Fremont and Sandusky staged the next contest. Sandusky won the final count at 19-13.

After the first round, Galion, Mansfield, Sandusky and Bucyrus were the four teams left, for the semi-finals.

In the second round Galion met Mansfield. As they handed us a setback earlier in the season, we were out for their scalps. We started like a whirlwind and kept up the pace too fast for the heavy Mansfield outfit. By close guarding we kept them from scoring on long shots which were their specialty. We worked the ball down the floor in fine shape. The score was even at the end of the playing time. In the overtime period we scored five points, making the final score 23-18. As Bucyrus easily defeated Sandusky, this put us in the finals with our old rivals.

The finals for the championship of our region, a fine silver trophy at stake, and Bucyrus as our opponents, formed the background for a fast and spirited contest. Both teams were fast and evenly matched. Neither team led for any length of time. At the half the score stood 8-8. The third quarter was the most interesting of the tournament. Unusually fast and evenly matched, both teams fought for the championship. At the end of the playing period, Bucyrus was leading 20-16.

This tournament was conducted in a very satisfactory manner by the Norwalk High School. The officiating was just and above question. We need not add that the Orangemen made a fine showing and that they played with great courage and above all with a fine display of true sportsmanship.

The basketball season of 1924 has indeed been a successful one and the team has made one of the best records in the history of G. H. S.

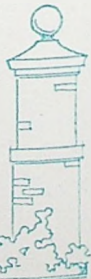

A large number of aspirants answered the call for candidates and zealously began practice. It was soon realized that a lot of good material was included among these enthusiasts. The squad was gradually sifted until only twenty remained and from thence on long, hard practices were held every day during which time both the fundamentals and the fine points of the game were studied. Rigid training rules went into force and accordingly the ambitious athletes turned away from the tempting pastry and chocolates, determining to safeguard themselves from anything that might hinder their basketball abilities.

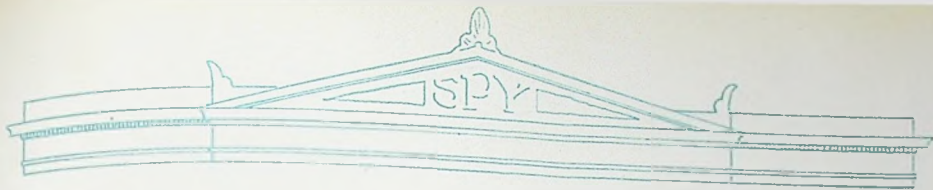

Finally with the opening game drawing near the regular varsity squad, consisting of twelve members, was chosen. Six of these comprised the first team while the others, as able substitutes were always ready to enter the game when needed and to do their utmost for the team.

Thus the season began successfully and ended the splendid record of ten victories with but one defeat and that avenged later in the season.

Throughout the year the entrance of the orange and blue uniformed team was the signal for a deafening Galion cheer, the forerunner of success, and at all times Galion's squad responded giving their best and fighting their hardest for the Alma Mater.

Now that this season has so satisfactorily closed Galion's sport followers are focussing their attention on the probable 1925 squad wishing them an equally triumphant season and assuring them of their loyal support.

Girls' Athletic Personals

Coach Zilpha Marsh—Although this has been the first year for Miss Marsh as coach at Galion High she has made a great success, turning out a winning team and doing her best for them at all times. She has the real Galion spirit, being herself a graduate of G. H. S. with the class of '19. The team itself is her reward with their season of victories and their sportsmanlike attitude.

Captain Loretta Wildenthaler, Right Guard—Loretta was elected to guide the girls of the Orange and Blue through this year's strenuous schedule and was indeed all that a true and loyal captain could be. Her efforts were always for the team and the school it represented and she proved a steady player in every contest.

Grace Deibig, Left Guard—At the other guard position was Grace who played her second year as varsity guard with a spirit that nothing could daunt. She was into every play displaying her ability at catching high ones on their way to the basket and of keeping her opponents away from it. Galion high surely loses a great guard when Grace graduates this year but long will her quick moves and basketball knowledge be remembered.

Annabelle Tohunter, Jumping Center—"Toddy" surely could jump and played her position with lightening swiftness. She will be the only one of the varsity that will be back next year and has also been elected Captain for next year's squad. Under her leadership and with her fighting spirit predominating, success for 1925 is assured. Good luck Toddy.

Eleanor Heneke, Side Center—As a running mate to "Toddy" Eleanor was indispensable and worked the plays from center with unerring accuracy and whirlwind velocity. Her best was never to good for Galion High and she was continually working for the team. During her two years as a member of the varsity she has surely done her bit in fighting for the Orange and Blue.

Gladys Sawyer, Right Forward—Gladys had an accurate eye for the basket much to the distress of opposing teams. She could slip away from any guard and had excellent speed and endurance. The entire season she shot the fouls for the team and the swish of the net was usually her reward.

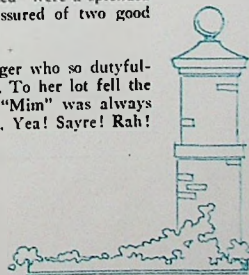

Alma Shumaker, Left Guard—Teamwork was the keynote of Alma's playing and for the team she did everything possible. Her speciality was the pivot which no one playing against her this season could effectively guard. She graduates this year with three "G's" to her credit, more than any other G. H. S. girl has received.

Jeanette Cohen and Miriam Spiggle, Substitute Guards—Both of these girls worked hard in helping the team and attending practises faithfully. They got into many games and clearly showed that there is no lack of good guard material in Galion High.

Gearldine Wise and Ruth Nicholas, Substitute Centers—When the subs. got into a game "Gerry" could usually get the tip off and "Ted" Rushed the ball to the forwards before the other team was really aware of what was happening. Things were certainly kept hot in the center by these two.

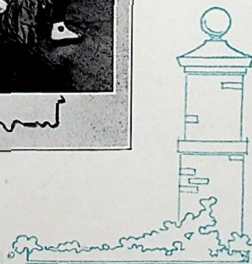

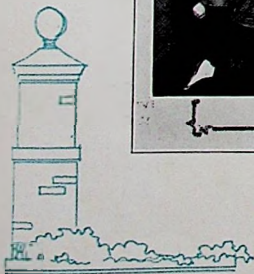

Martha Ransdell and Ruth Meeke, Substitute Forwards—"Mitty" and "Red" were a splendid combination and fully mastered the art of effective passing. The team is assured of two good forwards for next year.

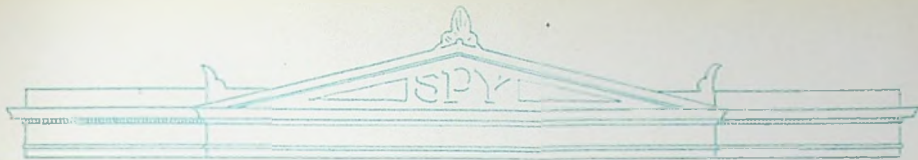

Miriam Sayre, Manager—Last but not least we can not forget our manager who so dutifully and with out shirking did her bit to make the squad of '24 the champions. To her lot fell the correspondence, write ups, Blowing up the ball for all the games, etc. But "Mim" was always ready and capable and has set a high standard for the next manager to attain. Yea! Sayre! Rah! Rah! Sayre!

Feature

If in this lot of foolish stuff
We've hit at you among the rest,
Why Heavens Man!! Don't think it tough,
It's only meant in jest.
If you will only look around,
At those we jest about,
You'll see that you are better off,
Than those that we left out.

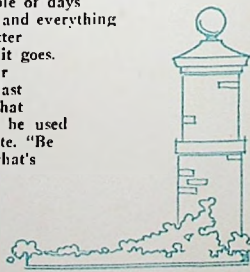

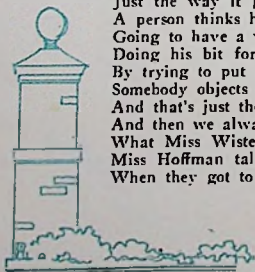

And That's Just the Way It Goes!

This afternoon we were working on this annual
And wondering what it would ever turn out
To be and how glad we were that
We'd never have to put out Another.
It was decided that something kinda peppy
Should be put somewhere in this feature
Section and we thought that a conversation of
The lady members of the faculty before a
Teacher's meeting might serve the purpose
But somehow it didn't work out right.
We were afraid that should everything
Be said that we'd like to say
It mightn't go over very big with them?
And so although
We turned down the opportunity
Of letting the faculty know
Everything we'd always wanted
Them to know
We'd have done it had there been
Any degree of certainty that
They mightn't have seen it
Until we were out of their Jurisdiction.
But there wasn't.
Because our printer seemed
To be working faster than
We were and there was
A big possibility that the
Spys would be out before the
Staff was.
So we didn't.
Then we thought we'd put a list of
High School girls' names after
Some popular songs. But
That didn't come out right either,
For we only got as far as
"Stay Home Little Girl, Stay Home" for
Helen Paul and no one
Would offer any suggestions
After that.
But to go back to the faculty
We always did want to know
How Miss Hoffman
Would look with her hair
Bobbed. Wayne
Weber told us once what
He thought but we
Couldn't put it down here
So we let that go too and
Missed some more snappy
News. And that's
Just the way it goes. When
A person thinks he's
Going to have a wonderful time
Doing his bit for his class
By trying to put out a year book
Somebody objects to everything
And that's just the way it goes.
And then we always did want to know
What Miss Wisterman and
Miss Hoffman talked about
When they got to whispering

Sometimes. But we never
Found out. Olive
Said it might be written
That someone had a good
Idea but George
Bollerer said that the rest of the class
Might discover it so we
Couldn't put that in
Either. And that's
Just the way it goes
And someone said as long as were
Writing something might be said
About some of the music teachers
Trying to do more than was able to be well
Accomplished but Bill Riblet
Said no one ought to be
Censored for trying to earn their money
And that's that and our sentiments
Too. But when
We saw Laurance
Baldinger up town last evening with
Eight full bottles we thought he had
Started a still and though he
Said it was regular Scotch it
Was just regular mineral water
So somebody said that we
Missed something again. And
That's just the way it goes.
Every time we get something
That sounds especially good or
An idea whereby we can change something
From the old order of things
So many objections come in
That it seems nothing ever will
Go right and when no one will do
Anything and that happens to be a
Day when the word co-operation
Seems to have been omitted from all
Minds we often wished we had Mr.
Swick's little bottle of pitric
Acid so that we could put it under the book
And let the thing go for once.
But just about that time when one is
Worrying about all his school work
Too some thoughtful teacher comes
Around and says, "How's the Spy
Coming along?" And when he finds
How rushed we are right then he
Assures you that your note book
Must be handed in as soon as possible
But you can have a couple of days
And the sun shines again and everything
Seems to go a little better
And that's just the way it goes.
Now we've made another
Mistake for it was just last
Evening that we read that
"Anyhow" should never be used
And it gave the substitute. "Be
That as it may." And that's
Just the way it goes.

Galion, Ohio

May 15, 1944.

Dear Isabel:—

While purusing the Cleveland Plain Dealer last evening I came upon so many items concerning our classmates of G. H. S. '24 that I know you will want to hear about. I was so surprised to read that Almeda Craun is touring Europe charming musical circles with her piano playing. That reminds me that I received a card from Majory Dickerson yesterday bearing the postmark of India. She and Mildred Garvarick have been traveling in the Orient for two months.

I must tell you, we were in Columbus at Memorial Hall last evening. Edward Wolf the renowned Doctor of Divinity who for the last ten years has occupied the pulpit of the largest Methodist church of New York City, spoke on "Cosmonic Ortology." His whole talk embodied the similarity between the creation of the universe and science of the being of the soul. It was really good.

Did you know that Gwendolyn Auld and Naomi Schnegelsberger are assistants to Jane Adams, Hull House, Chicago?

Walter Keller and Edward Garvarick are conducting a Bachelors' Hall at Palm Beach, Florida.

Alma Shumaker is captain of the All Ohio Star Basket-Ball Team. Other members of the team are Gladys Sawyer and Loretta Wildenthaler.

There was a lot of excitement in Galion the other day when Olive Thuma's special train passed through the city. She came out on the platform to greet some of her old friends.

I see that David Geer, a senator from Ohio, is beginning his campaign for President of the United States .

Florence Durtschi has the leading part of the Opera "Carmen" which is in Dayton now.

The next time you go to Chicago look up Laura Wirick who is the head saleslady of the ready-to-wear department at Marshall Fields.

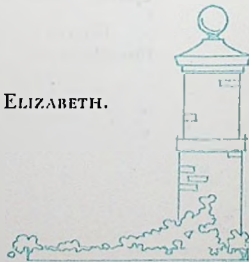

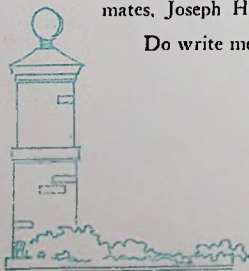

Sam Block is a very successful physician in Baltimore, Maryland.

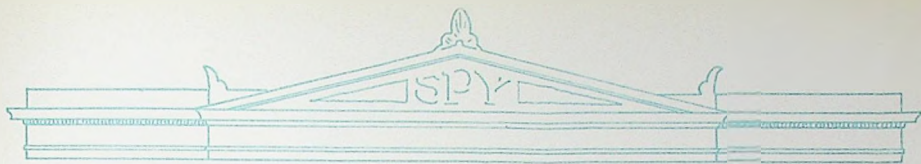

I'm going to Cleveland next week to hear Sousa's Band. Two of our old school-mates, Joseph Hill and Bernard Flannery, are members.

Do write me and tell me the news.

Love,

ELIZABETH.

Galion, Ohio.

June 2, 1944.

My Dear Isabel:—

I had a letter from Harriet Neuman Miller several days ago. She is living in Denver Colorado.

I read in the paper that Mr. and Mrs. Myron Martien are on a motor trip in Saratoga to Yellowstone National Park.

Helen Rhodebeck and Edna Kunkel are conducting a beauty parlor on Fifth Avenue, New York.

Georgie Nungessor and Martha are seamstresses in Buffalo.

Naomi Swartz and Ruth Hill are kindergarten teachers in Pittsburg.

Ethel Kile and Mae Belle Rick have opened a dancing class in Middletown .

I heard Russel Nichols over the radio last evening. He broadcasted from station X. Y. Z. the song that he had made world famous, "Little Bird in Your Nest Are You There, Are You There?" You've heard him, haven't you?

Oh, Izzy, do you remember that autograph collection that Jeanette began while she was in school? It has grown to be one of the most famous collections in the world. And to think that we used to laugh at her when she talked about it.

Harriet Wisterman is playing at Keiths' Theatre, Salamanca, N. Y. Ruth Kreis is modeling in Paris. Grace Deibig and Ruby Everly have gone to Klondyke, Alaska with an exploring party. Marg Moore has accepted the position as physical director at the centralized school at Martel.

Huber Mollenkoph and Wilber McCune are managing an agriculture experiment station at Wooster. Lawrence Baldinger is a rural mail carrier, route six, Ibera to Blooming Grove.

Marian Patterson is a missionary to India. Wava Pry is teaching school at Ashland. Nellie Smith and Nina Eichler are nurses at St. Luke's Hospital.

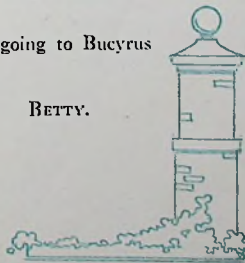

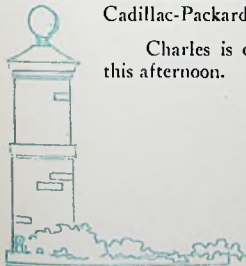

Josephine Tracht has opened her campaign for governor by a series of remarkable debates with a leading rival. Leola Gelsanliter and Florence Flowers are spending the summer in Egypt visiting "King Tut's Tomb."

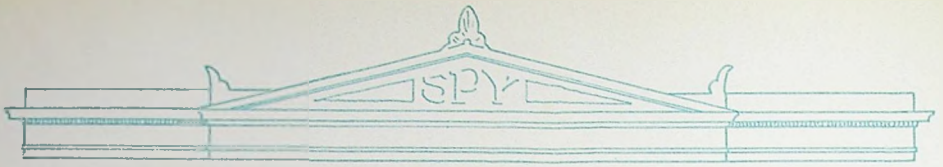

Ronald Dagen and Gerald Bosler are the proprietors of the largest combined Cadillac-Packard garage in St. Louis.

Charles is out here honking the horn so I must go. We are going to Bucyrus this afternoon.

With Love,

BETTY.

Galion, Ohio

July 31, 1944.

Dear Izzy:—

We were all pleased to hear that you are planning to teach in Bliss College this next term. If one really likes teaching there's no better profession, they say. By the way, we had a fancy wedding in Galion Wednesday afternoon, and all the bridesmaid's hats were furnished from the Paris dept. of Elenor Heneke and Esther Myers millinery dept. So pretty.

Did you know that Ruth Reece is teaching English Literature in Central High at Akron?

George Bollerer is the talented saxophone player with Ted Lewis and his Jazz band. Robert Findley is a traveling salesman for the National Biscuit Co. Arthur Bauer and Leonard Butts are editing the "Illiterate Indigest", a broad-minded magazine which rivals the Literary Digest.

Lois Seckel and Ethel Howard are clerks at Schaefer's Dry Good's Store. Florence Weber is the successful matron of a children's home in Columbus. Ercel Williams is a cellist in an orchestra in Detroit. Doris Curren is a fancy dancer in a cafe' in London.

Edna Mochel is living in Hollywood where she is making a series of pictures to accompany Walter Camp's daily dozen.

You remember Dorothy Berry, don't you? She is Mrs. Faulkner now and living in Ontario.

Myron Sargel and Lester Eichler are famous lawyers. Robert Weiner and Everett Moak have taken up a government claim in Arizona. Paul Phillips and Charles Sipes are haberdashers in Cincinnati.

Lavona Reed is teaching school at Kent, Ohio. Mary Alice Culler is competing with Suzanna Leunghlen for the tennis championship. Ruth Keller is leading soloist at the first M. E. Church Portland, Oregon. Helen Paul has become the world's champion golfer.

Forret Shumaker is a druggist in Des Moines, Iowa.

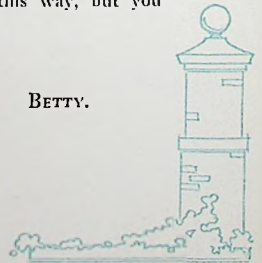

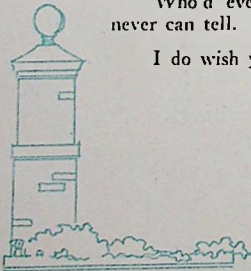

The other day at the Chautauqua, William Riblet entertained us with a clever chalk talk.

Who'd ever have thought that our class would turn out this way, but you never can tell.

I do wish you'd make that long-promised visit this summer.

Love,

BETTY.

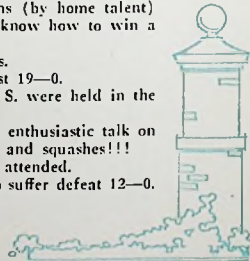

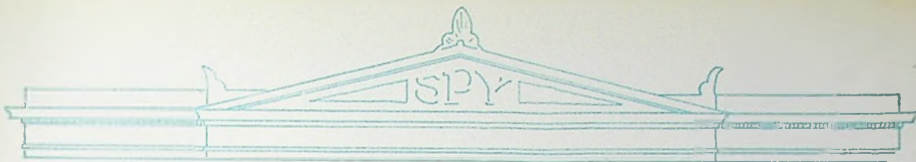

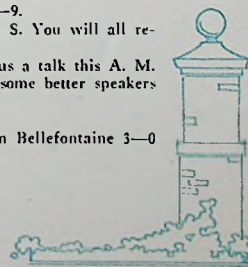

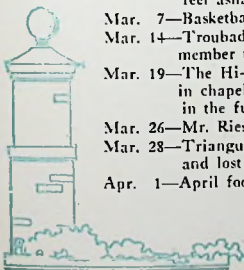

Chronicle

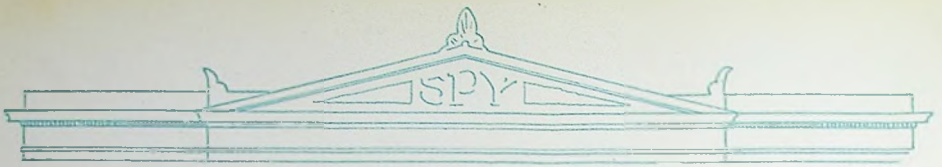

- Sept. 10—Vacation over and all back to school again. Many new scholars charm the upper classmen. Also some new teachers, Prin. P. F. Ries, Misses Miller, Ullom, Gledhill, Marsh, Hagely, Mr. Swick and Mr. Shaffer.
- Sept. 12—K. of P. lodge gave the play "Phytheas and Demon." Password, please!
- Sept. 14—Senior class meeting to elect officers for the ensuing year.
- Sept. 15—First football game of the season, Ashley vs. Galion, Yea Team!
- Sept. 17—Sophomore class meeting. Also organization of gym classes.
- Sept. 18—The Freshmen are in an uproar planning for a class assembly to elect officers.
- Sept. 19—Chapel exercise for the observance of Constitution Week.
- Sept. 20—Freshmen all holding their breath today for fear they will be initiated tomorrow. But as a consolation they were escorted to the reception to have their futures foretold.
- Sept. 22—West High vs. Galion. Cleveland will have to recognize Galion now. We won 14—6.
- Sept. 27—Junior class meeting to elect officers and plan for a weiner roast.
- Sept. 29—Ashland vs. Galion. They put up a hard fight but lost the game. The score was 6—0.
- Oct. 2—Sale of Lecture Course tickets. Buy early and avoid the rush! Also the first meeting of Hi-Y.
- Oct. 4—Lantern Staff appointed; all indications for a good paper this year.
- Oct. 4—5—G. H. S. of '22 gave the show "Driven." The benefits to be used for their Memorial at the entrance.
- Oct. 6—Harding Hi vs. Galion Hi. Harding—20; Galion—27.
- Oct. 10—Seniors and Freshmen have their weiner roasts. Also the second period in Geometry today was greatly disturbed by the appearance of a mouse.
- Oct. 11—Meeting for girls to try out for "Cheering." Don't tell the boys????
- Oct. 12—Selections of the opera, "Faust," opened our H. S. Lecture Course. Well liked by all.
- Oct. 13—Football game with undefeated Mansfield. Fate being against us we lost 27—6.
- Oct. 16—First meeting of Spy-board Staff. Also first meeting of the "Conatatus Aemeadac."
- Oct. 18—First issue of "Lantern." Increase in price .05. Well worth the price.
- Oct. 19—Glee Club sang in Chapel this A. M. Grade cards given out. Some are happy.
- Oct. 20—Football game with Shelby.
- Oct. 21—Meeting of girls to discuss the organization of the "Literary Society." Also one of our Senior girls went to Michigan and came back.
- Oct. 27—Senior Style Show. A big Success.
- Oct. 30—Second number of the Lecture Course Adanac Male Quartet. The numbers were much enjoyed especially the monologues.
- Oct. 31—Senior Hallowe'en party, B. Flannery being the funniest as usual.
- Nov. 1—To keep the ball rolling the Freshmen and Sophomors each had a Hallowe'en party. Also the first of the series of picture shows in the H. S. "Prince and Pauper." The high rate of admission (.05) was the reason so many H. S. students couldn't go.
- Nov. 2—All rejoicing—the teachers went to Cleveland to attain more knowledge, everyone was happy—especially the Juniors, they could stay a little later at their Hallowe'en party last eve.
- Nov. 3—Football game with Mt. Gilead. No Doubt about it, we won 20—6.
- Nov. 6—Election Day!! Nothing said.
- Nov. 7—Dr. Smyser of Ohio Wesleyan gave us a very interesting talk on "Education" this A. M. in Chapel.
- Nov. 10—Delaware vs. Galion. The score being 31—7 in favor of the Orangemen.
- Nov. 12—Celebrated Armistice Day with a program this P. M.
- Nov. 13—The Juniors and Sophomors had their pictures taken today after which the Freshmen were exposed.
- Nov. 14—During our Chapel period today the first of the series of programs (by home talent) to be given thru' out the year was rendered. By this time we all know how to win a football game!!!
- Nov. 16—A Vaudeville was given under the auspices of the Sons of Veterans.
- Nov. 17—Galion Hi. football team put up a hard fight with Fostoria but lost 19—0.
- Nov. 20—In observation of Education week the afternoon sessions of the H. S. were held in the evening. All be present!!!
- Nov. 21—Also in observation of Education week Rev. Hollar gave us a very enthusiastic talk on "The Schools, the Hope of the Nation." Remember about the oaks and squashes!!!
- Nov. 22—H. S. gave another show "Cricket on the Hearth." A large crowd attended.
- Nov. 24—Last but not least, by no means, the Bucyrus Reds came to Galion to suffer defeat 12—0.

- Nov. 26—Big rally to celebrate our great victory over Bucyrus.
Nov. 27—Juniors exceedingly happy today, they received their rings.
Nov. 28—A very pleasing program was rendered this P. M. in commemoration of Thanksgiving
Nov. 29—The last football game for this season. The old Galion Stars against the Hi. We lost 26—13 Ugh!
Dec. 3—We all profited very much from the long tale given by one of the members of the Aurora at the meeting after school.
Dec. 5—Mr. Tullos of Wittenburg College aroused the High School with the spirit of a college education this A. M. in chapel.
Dec. 12—Mr. Whiston, from the Church of Christ, spent the chapel period with the H. S. Remember the comic stories he told.
Dec. 13—What's loose???????? The mystery came to an end!! Sale of "Spys" began.
Dec. 14—Mrs. Beck's pupils gave the play "The Doctor of the Lonesome Folk." It was good and quite different.
Dec. 21—A very delightful Christmas program was rendered this P. M. after which Santa came and presented the good children some toys. Also the Board of Education saw fit to give the H. S. two weeks Xmas vacation.
Dec. 21—Galion Hi opened the Basketball season by defeating Crestline 31—8.
Dec. 28—The Alumni were not so successful in basket-ball as in football the Hi School won 22—12.
Jan. 4—The Lincoln quintet from Cleveland were defeated in a thrilling game by the score of 22 to 20 by Galion High. Also Ada girls were defeated 23—13.
Jan. 11—Galion Hi. keeps up its winning streak by defeating Fostoria 28—23. Also in a one-sided but interesting game our girls defeated the Lucas girls 42—5.
Jan. 18—Galion's orange men met their first defeat this season. Bucyrus winning 15—14. Also girls were defeated by one point 26—25.
Jan. 20—Fair and Warmer! Green elevators! Burning sands!
Jan. 21—A special program was rendered in observance of Temperance week.
Jan. 24-25—Exams. the days that tested the unlucky ones brains!!!
Jan. 25—Galion defeated by Ashland 23—16.
Jan. 30—Girls Glee Club gave an excellent program.
Jan. 21—Exchange program with Crestline.
Feb. 6—Mozart program in chapel.
Feb. 8—In a fast, exciting game Galion Hi. was defeated by Harding Hi. 15—12.
Feb. 12—As a tribute of respect for A. W. Lewis, former Superintendent of schools, the Students of the High School were dismissed this P. M.
Feb. 15—Suffered defeat at the hands of Mansfield 36—24.
Feb. 16—Galion High still remains in cellar—defeated by Delaware 26—15.
Feb. 21—In memento of Washington's Birthday the Hi-Y club presented a program this A. M. in chapel.
Feb. 21-22—Elks Follies.
Feb. 22—Steve Wiggins and some Crestline Jane eloped to Michigan.
Feb. 24—Another exchange program with Crestline Girls Glee Club.
Feb. 28—Robert Wiener spent the Civics period in quiet slumber this A. M. Morning after the night before?
Feb. 29—In commemoration of their childhood days the Senior girls wore hair-ribbons after which the Freshmen girls soon proceeded in like manner. Miss Midget became the bride of Tom Thumb!!!!
Mar. 4—Last numbr of the lecture course, Smilin' Thru'. Everybody had a good word for it.
Mar. 6—Junior Passing Show. Estella Powers' wonderful acting as a comedian made Keith's feel ashamed.
Mar. 7—Basketball game with Bucyrus. Boys lost 19—18 but girls won 13—9.
Mar. 14—Troubadours from Baldwin-Wallace University entertained the H. S. You will all remember that joke they told about Estella and her dog.
Mar. 19—The Hi-Y were fortunate in securing Mr. Herbert Baker to give us a talk this A. M. in chapel on "Sportsmanship in Business." We still hope to have some better speakers in the future.
Mar. 26—Mr. Ries had a few announcements to make this A. M.
Mar. 28—Triangular debate with Bucyrus and Bellefontaine. We won from Bellefontaine 3—0 and lost at Bucyrus 2—1.
Apr. 1—April fool!!!!!!!!!!

- Apr. 2—The Rev. Porter from the Presbyterian church gave us a talk on "The Three Powers of Vision."
Apr. 8—Miss Todd gave a "Style Show." The benefits to be used in the purchasing of a pipe organ for the H. S.
Apr. 11—Teachers went to Columbus. Everybody glad for the vacation.
May 2—Oratorio "Messiah" was given.
May 25—Bacalaureate.
May 27—Junior-Senior Reception.
May 28—Commencement.
May 30—Last day of school. Some happy and some sorry.
-

Esther Shull (moonlight and all that rot)—"Do you know what a dumb waiter is?"
Len. H. (Same surroundings of course)—"Sure an undeveloped elevator for use in Hotels, etc."

Esther, (Still in the moonlight)—"I should say not. It's a man who asks a girl for a kiss and waits for her to say 'yes'."

Bob P.—"Last night I dreamt I was married to the most beautiful girl in the world."
Helen P.—"Oh, Bob, were we happy?"

Miss Todd to pupil—"What are pouses?"
Pupil—"They grow on cats."

Steve N.—"Whew, I just took a quiz."
Younger brother—"Finish?"
Steve N.—"No, Spanish."

Ken Ness—"This is my car and what I say goes about it, see?"
Garage Man—"Say will you please say 'engine', mister."

Helen P.—"Cy clapped his hands when I was singing."
Dot B.—"Over his ears."

Tubby F.—"Isn't that porchlight dim?"
Eleanor H.—"Well it has quite a bit of scandel power."

Wayne Weber—"My ancestors came over in the Mayflower."
Bob Moulton—"That's nothing; my father descended from an airplane."

Teacher—"The geologist thinks in terms of centuries."
Paul T.—"And to think that I loaned that labratory instructor ten berries."

Tailor—"And how about the pockets in the suit?"
Rueben Dagen—"Quart size please."

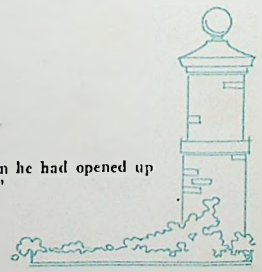

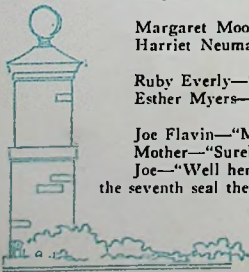

Nature makes some men fools all of the time, but women make all men fools some of the time.

Ralph D.—"Does your face hurt you much?"
Young Man—"No, what made you think my face hurt?"
Ralph—"Sister said you were painfully homely."

Margaret Moore—"My hair sure is coming out."
Harriet Neuman—"Why all animals shed in the spring."

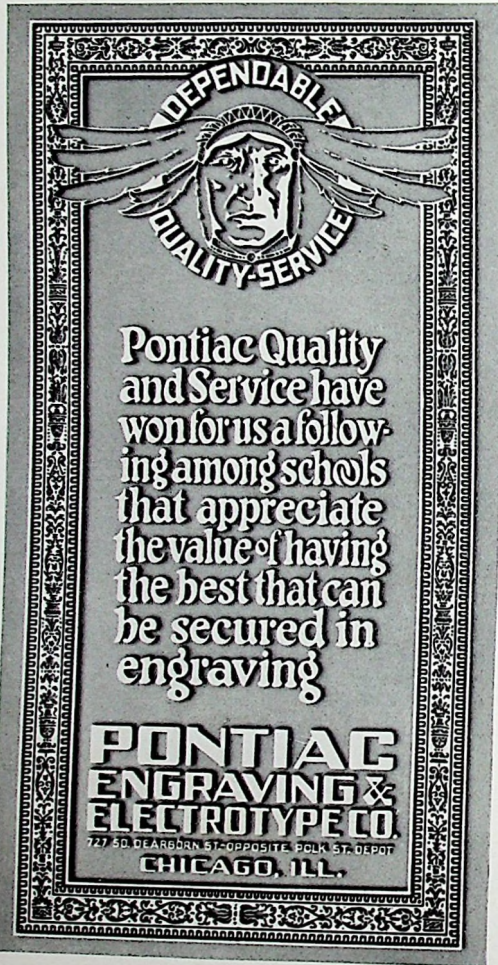

Ruby Everly—"Do you think much of Paul?"
Esther Myers—"No; only about twenty-four hours a day."

Joe Flavin—"Mamma are there women in heaven?"
Mother—"Surely why not?"
Joe—"Well here in the eighth chapter of Revelutions," it says; "And when he had opened up the seventh seal there was silence in heaven about the space of half an hour."

Ralph E.—Dad and I are great stockholders on a big cattle ranch."

Bid Lisle—"That so?"

Ralph E.—"Uh huh, I told the stock and dad milks them."

Student to Doctor—"And did you ever make a mistake in your diagnosis?"

Doctor—"Yes. I once treated a patient for indigestion, when she could easily have afforded appendicitis."

Mary F.—"Ivan, will you get my watch, it's upstairs?"

Ivan—"Aw, wait a while and it'll run down."

Mary—"Oh no, it won't, my dear, ours is a winding staircase."

Galion Boosters

In these last pages appear the names of those persons who are real boosters of Galion High School.

Their continued spirit of co-operation with student activities has made possible the publication of "The Spy", 1924.

In return "The Spy", 1924, urges Galion High students to make not of his boosters and show his appreciation by giving them a boost in return.

“THANK YOU!”
Come Again!

Service is the keynote of the success of the J. C. Penney Company Stores. We endeavor to serve you faithfully in just the way you want to be served. We are here to please YOU! In your pleasure we find our greatest pleasure. When we say, “Thank you! Come again!” it is with the belief that you have been served courteously and with profit.

Brighten Up!

"Brighten Up" time is here — the time to clean up about the house, renovate, and make the old things look neat and clean again. We can help you in the work with our line of **SHERWIN-WILLIAMS PAINTS AND VARNISHES**

It is really surprising what a little paint or varnish will do toward brightening up dingy surroundings. Take Family Paint for instance. This is a linseed oil paint specially prepared for home decorating and painting. With it any one can renew the appearance of a hundred little things that now look worn and old. It dries with a good gloss and will stand scrubbing with soap and water. Comes in 26 attractive shades.

S-W Floorlac is another splendid household brightener. It is a stain and varnish combined and can be used on old or new woods equally well. Imitates the natural woods and gives a most pleasing effect. These offer a few hints for you.

Come in and have a "Brighten Up" talk with us and learn more about how we can help you in your house cleaning. Our line has a paint or varnish for every purpose.

Remember, we sell

WHERE FOOD IS *MORE* THAN FOOD

Just like automobiles differ, so do foods. Some places food is just food, and then there are other establishments, few and far between, where eatables are so delectable that it is a real pleasure to sit down to the table.

Such is The BIG STORE. For miles around it is known as "the one place" to get a really good meal. Hundreds of discriminating people eat here every year. Many tourists and traveling men passing thru Galion make their plans so as to stop off here for dinner or lunch.

The Big Store is proud of its reputation for good foods and is not unmindful of its strong local patronage. To show its appreciation, every effort is constantly being made to give you the very best.

Oberlin Business College Has Large Attendance

Another prosperous year is in progress at the Oberlin Business College. The large attendance has made it necessary to add additional furniture. Fifty-five new Remington and Underwood typewriters have recently been installed. Twenty-four additional desks have been purchased.

Eight years ago a second building was erected to accommodate the increased attendance. Two years ago it became necessary to build an addition to the main building and now both buildings and the new addition are filled with as fine a class of students as ever entered a business college.

This school now has the highest standing given to any business college in Ohio by the State Department of Public Instruction. It was the first business college to be placed upon the accredited list of Ohio Colleges by the State School Department in 1915, and has more graduates holding state certificates than any other similar school.

Galion High School has sent many graduates to this school who are now holding excellent positions in different parts of the country. Any member of this year's graduating class would have unusual opportunities at Oberlin.

Fern Kiddy—"Did you ever feel that the world was against you?"
Arleen—"Rather, I left it this morning when I slipped on the pavement."

Mr. Geiger—"Why do cats sleep longer in the Summer than in the Winter?"
Student—"Because the Summer always brings the little-cat-a-pillar."

Father—"My daughter plays, sings and recites."
Another man—"Has she any other defects?"

Absent minded student looking out of the window at a passing train.
Teacher—"Now stop that."
Absent Minded Student—"I will if it comes this way."

AN ODE TO A BILL

The turtle dove has a little bill
With which he does his cooing,
And with this same little bill
This bird, he does his wooing.

I, too, have a little bill
Down at the florist's store
The more I woo, the bigger the bill
The darn thing makes me sore.

"SHOES THAT SATISFY"

Last week a country editor received a write-up on a wedding and also a notice of a public sale. After freely imbibing a goodly amount of "White Mule," he sat down to write and this was the result.

Miss Lizzie Oathanh and Mr. Henry Green were quietly married Saturday afternoon at two o'clock amidst a collection of first value farm machinery. The bride was charmingly attired in a dress of one hundred hurlap bags and carried a beautiful bouquet of carrots and cabbages. She was attended by two collie dogs who carried hundred chickens. The groom wore a suit of 3 tons of hay and was attended by a year-old heifer. As the couple walked into the church the organist played "Lohengrin's Wedding March" on a John Deer Harvester in good condition. The couple will go to housekeeping in a good Ford with a new top and will be at home to their friends, a 3 year-old grey mare, 9 pigs and other articles too numerous to mention.

Plack's Auto Supply

The most complete line of auto tires and accessories in the state is in the good old town of Galion, where we were born and are doing business.

Ford repairs, bicycle tires, piston rings for all cars. Exide service station. Rims for all cars. Repairing all batteries. Pen-sy gas and oils, the best in town.

Call and see us at the old stand, where you will get Quality, Service, and Price

A FEW HOTEL RULES

Leave your valuables with the night clerk for he will get them any way, or
Guest wishing fine board will find sawdust in the kitchen.

Mr. Geiger—"What is a civilized country?"

Margaret Moore—"A civilized country is one which believes progress, consists in maintain-
ing the deathrate by the prevention of disease and the invention of motor vehicles."
